Volume 9

Dear Bear Families,

As we enter the month of May, I am delighted to share the latest news and updates from our lively Bear's Den!

First and foremost, I want to extend heartfelt compliments to all our students on their incredible growth and achievements this school year. Witnessing their dedication, creativity, and resilience inside and outside the classroom has been inspiring. From mastering new skills to embracing challenges with courage and determination, our students continue to shine brightly, and we couldn't be prouder of each of them.

As we approach the end of the academic year, I want to express my deepest gratitude to our dedicated teachers, staff, and families. Your unwavering support and collaboration have been instrumental in our students' growth and achievements. Together, we've created a nurturing environment where our students can thrive academically, socially, and emotionally. Your commitment to our Bears truly makes a difference, and I am immensely grateful for your partnership.

Student-led conferences will be held later this month and are a unique opportunity for our students to showcase their learning journey. These conferences, where students take the lead in discussing their progress, achievements, and areas for improvement, are a testament to their growth and development. Students develop essential skills such as self-reflection, goal-setting, and communication by actively participating in these conferences. We encourage you to attend these conferences and engage in meaningful discussions with your child about their learning. An email will come out next week from Jess with the booking link.

Mr. Tim Van Brummelen is excited to join the team next year. We plan to have him visit the Bear's Den a few times over the next few months to meet everyone and experience this great learning environment. His first visit is scheduled for May 21st.

As always, please don't hesitate to reach out if you have any questions, concerns, or ideas you'd like to share. Your feedback is invaluable as we continue to strive for excellence in education and student support.

Thank you for entrusting us with your child's education, and here's to a joyful and fulfilling month of May! Warm regards,

Brent

Leadership

The Buffalo and Respect by Elise Hall and Eli Kirwin

Last month in Leadership we focused on the Grandfather Teaching of Respect. Respect is represented by the buffalo. Respect is showing honor, kindness and acceptance to your peers and elders by listening to them and appreciating their strengths. Respect is also knowing your own strengths and things you need to work on.

The Buffalo showed deep respect for the people by giving its life and sharing every part of its being. Because every part of the buffalo was used when hunted by Indigenous tribes, it provided the people an abundance of resources. The buffalo gave all of itself to better the people, and reminds us to be grateful for all we have.

The buffalo lives in grasslands and is very important to the plants and animals that live there. The way they stomp on the ground and roll around on the ground helps to create wetlands that brings lots of other life to the grasslands. They also keep trees from taking over the grasslands by using their horns to break them down.

In conclusion, the buffalo reminds us to show respect to the land, ourselves, and others. It also reminds us to give back to our land and the people and appreciate what is given to us!

The Raven, Sabe & Honesty

This month we will be focusing on the Grandfather Teaching of Honesty which is represented by either the Raven or Sabe. Both the Sabe and Raven remind us that to truly see oneself we must first be honest with oneself. It is then that we will be able to accept ourselves for who we are and walk our true path with integrity.
